

Christmas Past & Present

December 6-8, 2019

Christmas Past & Present is about to be enjoyed by all! As we head on down the road from Central Wisconsin heading for Milwaukee first and then on to Chicago we will have lots of Christmas tunes to enjoy. Our arrival time in Milwaukee will be just in time to enjoy our **included lunch**

at **Organ Piper Pizza**. While we enjoy our delicious pizza the ole pipe organ I am sure will be cranking out more Christmas music! This place is

just a fun place to eat and be entertained. Following lunch it is off to the **Mitchell Park Domes**! We will stroll through the Desert Dome (nice and toasty warm!) and then the Floral Dome which will be all decked out for

Christmas (a little on the chilly side) and finally the Tropical Dome (nice and toasty again!). Our final stop will be at the gift shop with lots of cool things to look at and purchase. By mid-afternoon it is time to head for Chicago to check out the **Lincoln Park Zoo**

Christmas Lights and have our **included dinner** as well! Our final stop will be at the **Quality Inn** in Schaumburg for a two night stay. Everyone will be ready for a good nights rest!

Good morning! Enjoy you **included hot breakfast** at the hotel and get ready for lots of Christmas

today! We will venture back out into the crazy Chicago traffic heading for the **Museum of Science and Industry**. Christmas Around the World will be one of the highlights here at the museum but there will be tons of other things to see and do. We can check out a submarine, a Tiny House

from back in the olden days, a Coal Mine, a Mirror Maze and the list goes on and on! We will be able

to spend most of the day here, have our **included lunch** and still not see everything! Everyone will be ready to sit and relax in our comfortable motorcoach as we

head for Navy Pier to check out their Christmas displays and lights. With a big appetite on our hands we can head to **Hard Rock Café** for our **included dinner**, this will take us down Michigan Avenue to once again enjoy Chicago's beautiful Christmas lights. Tonight, upon our return to the hotel there will be time to take a swim for those wishing to enjoy the pool.

Rise and shine everyone because Christmas is now one more day closer! Our **included hot breakfast** will be ready for us prior to loading up our motorcoach to start our trek back home. We have a short ride to Rockford where we will be stopping at the Cherrydale

Mall to get some of our Christmas shopping done and to have our **included lunch** at their food court. Our next stop will be something new for all of us – **Laser Quest**. I am sure everyone has heard about people playing Laser Tag – now it will be your turn! We have the place reserved for just our group so we can all learn together. So, get

ready to have fun with laser lights and battery packs and see who will come out as the winner!

By now I am sure everyone will be tuckered out after three days of Christmas Past & Present and what better way to relax then to pop in a good Christmas video for our trip back to Central Wisconsin. A stop will be made for our **included dinner** on our way through Portage.
